

City of Mt. Morris  
Department of Public Works

# NEEDS YOUR HELP

The public works records were lost in the 1960's due to a fire at the public works building. We need to record the location and the type of the water service line that is coming into your home and/or business.

If you know what type of pipes you have please fill out the form

Name: \_\_\_\_\_ Telephone: \_\_\_\_\_

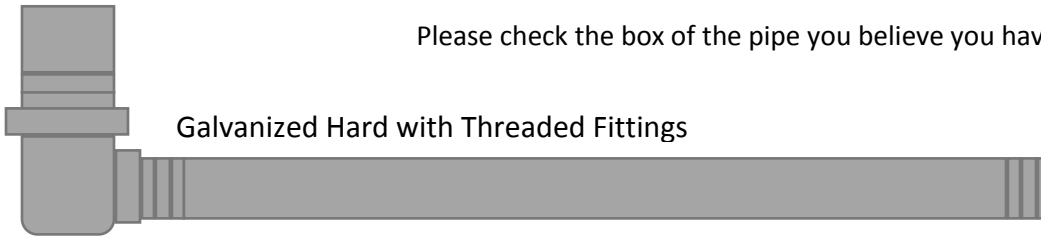

Address: \_\_\_\_\_

Type of Pipe: \_\_\_\_\_ Location: \_\_\_\_\_

OR call **810-686-8380** | email **[dpw@cityofmtmorris.org](mailto:dpw@cityofmtmorris.org)**

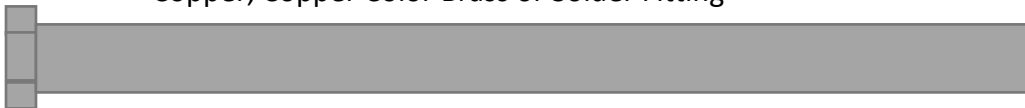

## TYPES OF PIPES YOU COULD HAVE

Please check the box of the pipe you believe you have:

Galvanized Hard with Threaded Fittings

Galvanized

Copper, Copper Color Brass or Solder Fitting

Copper

Lead Soft – Sweeping Bends with no Threaded Fittings

Lead

## NOTE:

If you are unsure of the type of the location and/or type of pipe material you have we will be happy to help you!

Telephone: 810-686-8380 || Email: [dpw@cityofmtmorris.org](mailto:dpw@cityofmtmorris.org)
