Genesee County 2022-2024 Community Development Block Grant (CDBG) Program

What is CDBG?

The U.S. Department of Housing and Urban Development (HUD) provides Community Development Block Grant (CDBG) funds to entitlement community grantees, like Genesee County, to carry out a wide range of community development activities. These activities are directed primarily toward revitalizing neighborhoods, encouraging economic development, and providing improvements to community facilities and services in low to moderate income areas.

To determine annual CDBG award amounts, HUD uses a funding formula comprised of several measures of community need. These measures include: the extent of poverty, population, housing, and overcrowding.

Each CDBG assisted activity must meet at least one of the following National Objectives for the program:

1. Provide benefit to low- and moderate-income persons and households; or
2. Aid in the prevention or elimination of slums or blight conditions
